## WHAT'S NEW?

Coming Soon!

We are very excited about the new developments at the Monateng Caravan Park. With a beautiful new website and an evident increase in occupancy things are going really well for the caravan park. With the winter months ahead, ready for cosy campfires and marshmallows, we know the Monateng Caravan Park will thrive in the chilly weather.

Back on Monateng Safari Lodge's side, big things have been happening. The restaurant, shop and bar is now flying the Le Fera flag and a pizza oven has been added for your convenience. The restaurant's relocation to the sales deck is still in progress, we look forward to its completion and the many spectacular views and meals that lie ahead. The bar is currently undergoing renovations as well. The games room is now located where the restaurant used to be and with all the space, two pool tables have been added. All electronic games have been moved too and the table tennis table is up and running.

## GOING GREEN

 Inverter air-conditioners have been installed in all main bedrooms for our guests' comfort. These air conditioners use less power than standard air conditioners and are much better for the environment.

## Uniquely Monateng

Croc tours and Game drives – get closer to these animals than you have ever been.

The Monateng Caravan Park is something to experience, with luxury campsites and a luxury tent option for a romantic getaway; you have to see it to believe it.

Feeling adventurous? Dare to dive and slide down the Monateng Super Tube.
